This book is a keepsake, but I see a few items I will make in the future. Thank you for listing this item on 0 of 1 people found the following review helpful. Fantastic book! By Janelle M. I hate to be a party pooper but this booklet doesn't do anything for me By Jane in Milwaukee I'm of Norwegian and Swedish background and I normally love designs from the Danish Handcraft Guild or "Selskabet Til Haandarbejdets Fremme" which was mostly founded by the great Gerda Bengtsson. I would think I'd especially like Scandinavian Christmas designs because, well, what stitcher doesn't make some?? But there's not a single pattern I feel inspired to make. I love angels and even though there are a bunch of different ones...they just leave me cold. The repeated designs like for hand towels or table linens would be ok. But, really, I'll give this away, maybe see if anyone in my Embroiderers' Guild of America group wants it. And this is coming from someone who has hundreds and hundreds of needlework books and maybe a thousand patterns, leaflets and magazines!
