I have a lot to learn and some of the patterns I will need to have some help to get thru but I love looking at the books that I have purchased at .1 of 1 people found the following review helpful. I'm very pleased with the Country Christmas Quilting bookBy Grandma DotI'm very pleased with the Country Christmas Quilting book. It has some pretty items, patterns and ideas for Christmas decorations. The directions and patterns are helpful and easy to follow.0

Like New condition. No damages to book. Just like it came from the "shelf". Lots and lots of great projects in this book. Includes templates and applique patterns. Great gift idea for the quilter.
