**From Hearst : Country Living Handmade Wreaths: Decorating Throughout the Year** before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living Handmade Wreaths: Decorating Throughout the Year:

0 of 0 people found the following review helpful. it arrived in perfectBy D. Brooksthanks for my order, it arrived in perfect condition0 of 0 people found the following review helpful. Five StarsBy Gail HampeGreat publication!1 of 1 people found the following review helpful. Just okayBy lpolandI was disapointed in this book. Although the book was in good shape and fast delivery. It was the content that was lacking. Which is the chance you take when you order a book without looking inside to see first.

Dress up a door, accent a room, and, of course, turn every season more festive: 30 elegantly photographed projects for seasonal wreaths throughout the year show exactly how wonderful these decorations can be. Brightened with colorful berries or pomegranates, lush with ivy, and fragrant with the scent of evergreen, each one pleases the senses. Easy-to-

follow instructions make the entire process effortless.

.com Wreaths come in many varieties; they certainly need not be limited to Christmastime or to front doors. Handmade Wreaths is filled with fetching projects appropriate to every season and every room. Welcome the spring with a rosebud heart or a swag of pussy willow; usher in the summer with a circle of living herbs or a cloud of artemisia; celebrate the harvest with an array of Indian corn or country wheat; ring in the holidays with a wreath of jingle bells or ivy and pomegranates. The 28 projects are easy and good-looking, all crafted from readily available supplies. Some even pass up plant materials in favor of seashells, buttons, or gingerbread cookies. --Amy Handy
