From Hearst : Country Living Merry Bright: 125 Festive Ideas for Celebrating Christmas (Country Living Merry Bright: 301 Festive Ideas for Celebrating Christmas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Living Merry Bright: 125 Festive Ideas for Celebrating Christmas (Country Living Merry Bright: 301 Festive Ideas for Celebrating Christmas):

21 of 21 people found the following review helpful. Returned it!By Serene NightI thought the cover was cute and I love books for Christmas, but this volume was disappointing. First off, it's not full-size book, but about the size of a paperback. Everything is super dinky. Second of all, along with the dinkiness the page count was low. There were only

a few recipes, and nothing I wanted to make. I flipped through it in seconds and decided it wasn't worth what I paid for it. Returned. 5 of 5 people found the following review helpful. Disappointing! By Bookie Why, oh why, didn't I listen to the other reviewers here? I got sucked in by that beautiful cover, that's why. I also expected much better from Country Living. They usually put out beautiful decorating books. There are some pretty pictures in here, but the book is very short on ideas. Shame on you, Country Living! It looks like you slapped this book together in an hour! Next time, try using a format similar to the one that the Farm Chicks used for their Christmas book. 10 of 10 people found the following review helpful. Disappointing By Amazing Finds So disappointed. This is simply a different version of the previous Country Living Christmas book. Just smaller with a terrible ring binding system. Pages screech as you turn them. If you have the original Country Living Christmas book, don't buy this one.

Make this Christmas season Merry Bright with this delightful volume from the editors of Country Living. Every page is breathtaking, with 125 enchanting ideas for celebrating and sharing the most wonderful time of the year with family and friends. From decorations and gift wraps to recipes and simple crafts--and eight pages of gift tags exclusively designed for the book--this perennially popular collection is the happy holiday must-have.

About the Author Country Living helped initiate a country trend in decorating, collecting, and entertaining with its debut in 1978 and today is the largest selling shelter magazine on the newsstand and the definitive guide to country lifestyle. Readers find the inspiration and the confidence they need to pursue their passions--and ultimately create a comfortable, satisfying life for them and their families.
