Gooseberry Patch : Cozy Country Christmas Cookbook (Seasonal Cookbook Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cozy Country Christmas Cookbook (Seasonal Cookbook Collection):

8 of 8 people found the following review helpful. Nice, Homey, Recipe Book By Serene Night Cozy Country Christmas is the latest in a long line of Gooseberry Patch cookbooks. As a collector, I've come to appreciate the friendly tone of these cookbooks, and the fun (and easy to make) recipes. Cozy Country Christmas was delightful... I really got in the mood for the holidays after reading this one. My only concern/minor dislike was that there were 48 pages of memories in the first section, and while I enjoyed reading them, I don't think they have much re-read value. Overall, an excellent book by the fun folks at Gooseberry Patch. When will the next one be out? 1 of 1 people found the following review
