The Editors of Lark Books : Craft Wisdom Know-How: Everything You Need to Stitch, Sculpt, Bead and Build before purchasing it in order to gauge whether or not it would be worth my time, and all praised Craft Wisdom Know-How: Everything You Need to Stitch, Sculpt, Bead and Build:

1 of 1 people found the following review helpful. These books are the best survival books (end of the world as we know ...By mykolCrafts. The title is self explanatory. Although I do not do crafts, I purchased this knowing that it would be as detailed and informative as all the other "wisdom am know-How" titles. And I was right. Every "Wisdom and Know-How" title is a must have. I have collected them all, as well as the newest release on Woodworking. These books are the best survival books (end of the world as we know it) to have. Not that they even mention such a thing (because they don't) but they do contain everything you need to know to "live off the land", "gardening" and everything else you need to know to be 100% SELF SUFFICIENT. 2 of 2 people found the following review helpful.

Kindle version problemBy kn_ sIllustrations are minute and have dovetail, so even blowing up the image is not useful to see small details in the illustrations. The book itself may be good but when you can't see the detail for a jewellery book that's all in the details?7 of 7 people found the following review helpful. Best All-around craft book EVER!By Susan M. HoagI love the scope of this book! It has every craft I would need, from crocheting to stained-glass. The size of the book is a little large to look at without a table, but I am amazed at the extent of the crafts.

The latest addition to the best-selling Wisdom Know-How series is an all-in-one guide to mastering a variety of popular crafts, from knitting and quilting to ceramics and jewelry making. The fifth book in the popular Wisdom and Know-How series, CraftWisdom Know-How covers dozens of the most popular crafts in one complete, all-encompassing resource. The book is organized by type of craft and includes Sewing, Knitting, and Other Needlework; Paper Crafts and Bookmaking; Glasswork; Jewelry Making; Pottery and Clay; Mosaics; Candle-making and Decorating; and Woodworking and Furniture Making. The sections are further broken down into chapters that cover specific crafts, each with step-by-step directions and tips for projects for all levels of skill and ability, from beginner to advanced. Hundreds of projects are included, such as Super Sock Monkeys, Crocheted Hats, Etched Glass, One-Afternoon Skirts, and Beading Vintage-Style Jewelry, to name a few. The material is hand-selected from dozens of publications from Lark Books, a leader in craft books. The information is tried, trusted, and true, and provides indispensable instruction and advice from the most accomplished crafters in the world. With hundreds of black-and-white illustrations and photographs, as well as essential resources for materials and tools, Craft Wisdom Know-How is a must-have book for the aspiring and experienced crafter alike.

About the AuthorLark Books publishes books on crafts, home decorating, cooking, and outdoor living. Lark's titles range from beginner project books to advanced technique books to best-selling gallery books on topics such as sewing, quilting, knitting, crochet, jewelry, ceramics, general crafts, and emerging DIY and lifestyle areas.
