**Jana Freiband : Crafting With Copper: 27 Creative Projects for Home Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crafting With Copper: 27 Creative Projects for Home Garden:

0 of 0 people found the following review helpful. My creative juices are flowing!By Susan CaronI cannot wait to get the supplies I need to start! I read through the book first and my imagination went wild! I am planning to use this as a starting point to make some great garden ornaments!0 of 0 people found the following review helpful. It is a good reference if you want to do a lot with ...By CustomerIt is a good reference if you want to do a lot with copper tubing. Unfortunately I was looking for something that dealt more with moulding sheet copper.3 of 3 people found the following review helpful. Good Book, Well IllustratedBy Gerry RzeppaHow to make things of copper with common

tools and easily learned techniques. Good book, well illustrated. Recommended. That's all I have to say.

**Artistic Metal Work Made Simple** Fabulous works of metal art don't require expensive materials, dangerous tools, or special safety gear. Ordinary copper tubing and rolls of sheet copper are available at any hardware store or home center, and can be used for an infinite number of clever and creative craft items. *Crafting with Copper* gives readers complete plans and directions for 27 easy-to-build projects they'll be proud to display in home and garden, or give away as gifts. Working with copper is a remarkably easy craft-one that will introduce readers to the wonderful world of creative metal work and build confidence in their skills. Soft and bendable yet rigid enough to hold its shape, copper pieces can be fashioned with simple cuttings tools and cheap propane torches, or put together with screws or glue.

**About the Author** Jana Freiband is an award-winning artist who has studied and taught photography and design at several prominent institutions in the U.S. and abroad. She has published numerous articles on fine art and travel. Jana lives in Minneapolis, MN
