0 of 0 people found the following review helpful. Great gift for new parents By Sue Excellent book for new parents. 0 of 4 people found the following review helpful. reading is very important. By A Customer when we learn space everything will be finish on the world

Creating Christmas Memories is a beautiful book of rich traditions for families. Here is Scripture, carols, and explanations of the meanings and histories of various Christmas traditions. Features full-color photography, a padded cover with embossing, foil stamping, and a ribbon marker.

.com Within the holiday season there are numerous opportunities to create meaningful spiritual memories that last a lifetime. This lavishly illustrated gift book devotes 15 chapters to great memory-making ideas. The book begins with a discussion of the Nativity scene, and suggests investing in a set sturdy enough for children to touch and rearrange, so that they can tactilely experience and re-create the magical story of Christ's birth. Other chapters discuss traditions for trimming the tree, hanging wreaths, and making and ringing bells. Every chapter includes a discussion of how Christmas symbols and traditions came about, as well as specific suggestions for fun family activities. This is a strongly Christian book, with many biblical references--ideal for families who want to emphasize the religious origins of the holiday. From the Publisher Christmas is a time for remembering and a time for making memories. A time when traditions become an important part of family celebration, binding parents and children together around themes that have their basis deep in Christian meaning. Beautifully designed with rich, full-color art, Creating Christmas Memories is a book of traditions for families. Here are Scriptures, carols, and explanations of the meanings and histories of various Christmas traditions--crches, caroling, angels, ornaments, trees, gift-giving, and more. Here, too, are ideas for families to create their own traditions that will be revisited every Christmas and cherished as children grow up to raise families of their own. Featuring a padded cover with embossing and foil stamping, and a ribbon marker, Creating Christmas Memories makes a wonderful gift for parents with young children who want to start early building holiday memories, for couples planning their first Christmas together--or for any couple who wants to build greater significance and intimacy in their celebration of the birth of Jesus.
