Iona L. Dettelbach : Creating Contemporary Bargello: A Designers Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Creating Contemporary Bargello: A Designers Guide:

This book is essential for needlepoint crafters who want to learn the Bargello stitching technique. It is an excellent introduction into this lovely craft and explains the delicate ways that stitches can be transformed in to lines and shapes. The book includes 24 projects pictured in color on the inside of the covers. There are teaching samples as well as projects for more advanced needlepoint artists. This book will definitely get you motivated to be creative when working and designing with the Bargello technique.
