Her text is easy to follow achieving excellent results for novice carvers and experienced carvers alike. She is masterful and an excellent teachers who take the time to show finishing techniques (painting) in addition to carving instruction. I highly recommend this book for the avid and novice carver.0 of 0 people found the following review helpful. Five StarsBy Ronald Lewisjust

Carvers will find this collection of 24 Santa and snowman designs especially delightful because they are both whimsical and classy. A step-by-step tutorial is included and detailed patterns with complete paint charts are supplied for each figure. Any incidental elements such as wooden eggs or cutouts are easily available at craft stores. With the help of this guide, even beginning carvers can create heirloom ornaments they will proudly display at Christmastime for many years to come.

About the Author Tina Toney has instructed more than 2,000 students in the art of woodcarving through her workshops and her extensive travels. She also operates Country Carvers, a carving pattern mail-order firm. She lives in Cathlamet, Washington.
