I was happy that I found it here when I couldn't find it at my parents place. Memories I hope to create with my own family in the future. 0 of 1 people found the following review helpful. Ok Christmas Book By Carol I guess I was expecting something a little more creative, but this book is adequate and I will probably use one or two ideas from it. 2 of 2 people found the following review helpful. This is a Must Have Book By Dottie Randazzo I have used the recipe for Peach Eggnog for years. It is a hit every time. Great recipes like Chocolate Eggnog, teapot cookies, basil-garlic snack wafers and many, many more. Not only great recipes but great craft ideas to serve your goodies in. Highly recommended.
