Patti Medaris Culea : Creative Cloth Doll Collection: A Complete Guide to Creating Figures, Faces, Clothing, Accessories, and Embellishments before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Cloth Doll Collection: A Complete Guide to Creating Figures, Faces, Clothing, Accessories, and Embellishments:

29 of 29 people found the following review helpful. My favoriteBy whichwoI just received my copy in the mail yesterday. I couldn't believe how big it was. After going through it page by page I realized that it contains everything you need to know about making cloth dolls using all the new materials, fabric, paint tyvec, etc. I have all of Patti's other books but I think this is the most complete. I would highly recommend it - first because of all of the useful

information, but if you do no more than leave it on your coffee table, the pictures are gorgeous. 0 of 0 people found the following review helpful. They are all quite useful. But one negative point would be that almost ...By zlem arslan I bought several doll making books. They are all quite useful. But one negative point would be that almost each book contents will give only different decoration variants of the doll featured at the cover. I still bought them because each book will give some other basic info, missed in another book. So altogether they will provide a full range of doll making wisdom. I also understood that attending a workshop is a basic need. Once you have attended one or two workshops, you will make the most out of the book you got.... 1 of 1 people found the following review helpful. I liked it By C. Tablante I ordered this book because I have heard of this author's work. It did not disappoint me, it has a lot of easy to understand instructions and patterns to choose from. The only thing is that when you go to the pattern pages it is a little bit hard to find the doll you can make with it, since it does not tell you the page where you can see the doll you will make with such pattern. I solved this by using my pen and writing down the doll's page number on the corresponding pattern. Probably this can be solved on the next editions. Other than that I am very happy with this book. I ordered Patti's DVD for learning how to work doll's faces. I had to go to Patti's web site, since I could not find it in .

This book is a compilation of the first four of Patti Medaris Culea's bestselling books: Creative Cloth Doll Making, Creative Cloth Doll Faces, Creative Cloth Doll Couture, and Creative Cloth Doll Beading. This comprehensive book guides readers through all the basics of creating cloth figures, with step-by-step fully illustrated instruction. Readers get complete patterns to create several styles of dolls, many with interchangeable parts. The book provides methods for creating beautiful faces, hair, garments, clothing, and supplies instruction in a wide variety of surface design techniques including dyeing, painting, stamping, beading, applique, hand and machine embroidery, image transfers, using Tyvek, and more. For further inspiration, the book also includes a gallery of doll designs by other leading doll artists, all made using the patterns from the book.

About the Author Patti Medaris Culea has a full-line of cloth doll patterns and her work has appeared in books, magazines, and galleries. She is the author of Creative Cloth Doll Making, Creative Cloth Doll Faces, and Creative Cloth Doll Couture. Patti lives in San Diego, CA.
