Introduces new, creative techniques for the fiber journaler, scrapbooker, doll maker, beader, and sewer through fairy-inspired projects. This book is the fifth installment on making creative cloth fiber arts from popular art doll designer, fiber artist, and workshop instructor Patti Culea, following *Creative Cloth Doll Making*, *Creative Cloth Doll Faces*, *Creative Cloth Doll Couture*, and *Creative Cloth Beaded Dolls*. This book builds on the previous four by delving into how to make fun and elaborate-looking projects using the same old materials in a new and unique way. Readers will learn to make flat figures, fabric books, and a fairy-style fan. Culea covers the basics and provides new techniques such as using Shiva paint sticks and stencils, working with silk rods and waste, and using lace and trims as a frame while teaching you to how create a flat figure doll, memory journal with embellished cloth pages, and a beautiful fan. Professional tips, ideas for embellishments, cutting-edge techniques, and complete patterns for all the projects are included.
