If you have the coloring bug this coloring book is for you. Highly recommended! You won't regret!0 of 0 people found the following review helpful. I do no like this bookBy Donnal will not order anymore coloring books... too expensive to return! I do no like this book!!0 of 0 people found the following review helpful. Great Coloring Book SeriesBy Jewels0417Love the drawings and the paper is excellent quality. Good entertainment for relaxing and passing time.

Inside this gorgeous coloring book for grownups are 30 ready-to-color art activities that explore the beautiful natural textures of the world around us. Each illustration is so richly detailed it might take you hours to complete just one page. But you don't need to have the skills of an artist to personalize these intricate drawings. Talented artist Valentina

Harper provides easy-to-follow tips on her distinctive patterning techniques. And as an added bonus, best-selling craft author Marie Browning joins the fun with beautiful coloring examples. Printed on high quality extra-thick paper that won't bleed through, all pages are pre-perforated for easy removal and display. Whether you use markers, gel pens, watercolors, or colored pencils, this book is the perfect way to relax and enjoy coloring.

My office team literally took a double-take at these adult coloring books. Beautifully illustrated to keep anyone's attention, making the coloring process fun as each page is decorated with one's unique colors and style. They're also a great tool for aligning one's thoughts with empowering truths and unleashing creativity. --Mike Dooley, NY Times Bestselling author of *Infinite Possibilities*
