I included photos to give you a sense of the quality. The first few pages shows the coloring pages colored, so if you wanted to follow a photo or color scheme, you can. There are also photos of deserts, forests, nature, etc, not just farms. I recommend it!1 of 1 people found the following review helpful. I GREW UP IN THE COUNTRY AND IT REMINDS ME OF A LESS STRESSED SIMPLIER TIME. VERY RELAXING AND CALMING.0 of 0 people found the following review helpful. Five StarsBy shirleyGood, enjoyable coloring

Escape to the countryside with these beautiful designs. Need a break from the city life? Want to head someplace where things aren't so fast-paced? Somewhere less crowded? Less loud? Where life's simpler and less stressful? To many people who become overstressed and overworked, it's a common solution to retreat to rural areas to relax. Whether it's for a short-term vacation or long-term retirement, the calming beauty and freedom the country provides has proven time and time again to de-stress both visitors and residents alike. *Creative Adult Coloring: Country Life* features forty-six outlines of stunning country and nature portraits, all gleaming with the promise of peace and serenity. These beautiful illustrations include classic country imagery such as barns, grazing pastures, tractors, and windmills all for you to color and decorate. Some of the designs also incorporate country animal and plant life to give you the total country experience. Additionally, the pages of this book are perforated, allowing you to easily display your finished works. By breaking out the old colored pencils and adding your own creative color choices to these lovely country scenes, now you can experience this sense of tranquility wherever you are! Grab a copy of *Creative Adult Coloring: Country Life* let your mind wander as free as the wind along the wide-open prairie.
