Although I consider myself to be very internet and tech savvy, I still like the touchy feel of paper between my fingers, especially when Im cooking or following any sort of directions. I like the option of making my own notes, folding over corners on favorite pages, etc.Im usually not a fan of Christmas before Thanksgiving; however, getting this book the first week of November brought on my Yuletide spirit in droves. Ive been through it several times and cant wait to dive it and bring some Creatively Christmas into my home this season.Im very impressed at how substantial the book itself is. The graphics, photos, layout and CD are wonderful. The content of the projects, for a crafter wannabe like myself, is perfectly documented with photos and easy-to-follow directions that makes this a must have for anyone who wants that personalized touch for their home in the celebration of Christmas.Creatively Christmas is an autobiography of sorts. The introduction to every craft has a story, a memory, a dedication to the love of family. Reading through this book is a glimpse into the soul and spirit that drives Rizzos creativity. I highly recommend this book!3 of 3 people found the following review helpful. Holiday Decorating Inspiration!!!!By Julie NorkusJen Rizzo is one of the most creative people I know. We have been rubbing shoulders for years in the business and I get inspired after every conversation to go make my life more beautiful through decorating or fabricating some gorgeous project. She has a great sense for business and knows how to "make something form nothing". This books give you a glimpse into her holiday world as

well as the gorgeous homes of some other super creative and talented people she knows. www.julienorkus.com Julienorkusfragments on Facebook 2 of 2 people found the following review helpful. and I was not disappointed! Jen's pictures and home are awe inspiring By Jen Ripinger Couldn't wait to get this book, and I was not disappointed ! Jen's pictures and home are awe inspiring . The other homes she features are amazing , also. It will be a book I turn to year after year for Holiday inspiration.

Start your holiday decorating with Creatively Christmas! Filled with over 35 hands-on projects, creative and easy craft, gift and decorating ideas for every skill level. Follow popular designer and lifestyle blogger Jennifer Rizzo on a rustic, vintage, handmade journey through the yuletide season. Enjoy an approachable and relaxed style to real Christmas decorating, ending with a tour of homes decorated for the holidays such as a restored country cottage, a vintage farmhouse, and converted polo pony barn. Learn how to make your own beautiful decorations, such as the Sparkly Doily Banner, Snowball Jingle Bells, Reindeer Tea Towel, and more. Grab a hot glue gun and pom-poms and enjoy page after page of glittery and festive projects.

This book reminds me of the days before we mindlessly went to the store to pick up our Christmas decor. It is filled with ideas to make your home very special for the holidays - using either what you already have, or some other simple acquired items, and it fills the need to be the creative force behind decorating your home for Christmas. The layout is visually inspiring, and tips for substituting items that you may not have access to are throughout. Somehow J Rizzo has put together a book of ideas that can be done as a family, but also delivers the look of both traditional and sophisticated style - all the while keeping the how-tos simple and user-friendly. It is a beautiful book to keep handy on the coffee-table for easy and regular access! --I love this Christmas diy book! The images are beautiful and all the diy's so easy to do! And the home tours in the back of the book are loaded with ideas and inspiration! Jennifer's writhing style is easy, friendly and very informative! I'll be getting several this year for stocking stuffers! --I m very impressed at how substantial the book itself is. The graphics, photos, layout and CD are wonderful.
