**Various Contributors : Cross Stitcher's Countdown To Christmas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross Stitcher's Countdown To Christmas:

0 of 0 people found the following review helpful. I Love This Book!By ShellapooI recently purchased this book and am so happy I did! I have never seen another Christmas-themed cross stitch book that contained so many designs that are so cute and that I plan to make. The desings in this book are not only darling, but they are versatile enough to be finished as shown in the book or used in other projects, for example on hand towels, finished as pin cushions, into bookmarks, etc. I have already completed some of the projects and the charts are correct and the directions are clear. I know I will use this book over and over, year after year. I would encourage anyone looking for a book of easy to complete, darling cross stitch designs to purchase this book.6 of 6 people found the following review helpful. Lots of great designsBy ChrisThis book has more projects I actually want to work on than any other I've seen for a while. It uses the newer DMC colors, specialty threads like Kreinik braid and Mill Hill beads. That gives the finished pieces a

more modern, polished look than the old 80's country stitching style. Most of the projects are small to medium-sized, and could be completed in a day or two. The color charts are easy to read and use. 0 of 0 people found the following review helpful. Five Stars  
By Lessa O'Pern  
This is a fun book with a lot of interesting projects!

Eight popular cross stitch designers have come together to bring readers the Cross Stitcher's Countdown to Christmas. A ready resource of festive cross stitch motifs, each of the 25 chapters provide an inspirational way to create charming cards, beautiful keepsakes and delightful items for the home. Designs range from the classic to the contemporary and many are ideal to stitch in an evening or a weekend - perfect for that busy time of year. With clear color charts, photographs and easy-to-follow stitching instructions, readers will be well on their way to stitching something special this Christmas.
