**Elizabeth Cole Midgley : Daily Discoveries for December: Thematic Learning Activities for Every Day** before purchasing it in order to gage whether or not it would be worth my time, and all praised Daily Discoveries for December: Thematic Learning Activities for Every Day:

This creative book in the popular Daily Discoveries series contains another month full of special days for students to celebrate in the classroom. They include: Reindeer Mania Day, Winter Weather Day, Human Rights Day, It's a Small World Day, and of course Hanukkah, Christmas, Kwanzaa and New Years Eve Day. Use the activities in your regular

curriculum for a shot of adrenalin in language arts, social studies, writing, math, science and health, music and drama, etc. Your students will eagerly look forward to each new day when you give them something to celebrate! Also included are reproducible patterns for writing assignments and art projects as well as lists of correlated books and bulletin board ideas.

About the Author Elizabeth enjoys children of all ages, but has a special affinity for the very young. She received her Elementary Education degree from Brigham Young University and has taken several graduate courses towards a Masters in school counseling. She is a published author and keynote speaker for fellow teachers. She has taught parenting classes for local communities and taught in the primary grades since 1981. She currently teaches first grade. Elizabeth lives with her family in Utah where she is a busy mother of two boys, Daniel and Matthew.
