before purchasing it in order to gage whether or not it would be worth my time, and all praised Date Keeper60 Modern Quilts: Perpetual Weekly Calendar Featuring 60 Beautiful Quilts:

1 of 1 people found the following review helpful. Beautiful collection of photos - nice size to write in. By Diane C Bashaw I don't usually write reviews but the other review is so unfortunate that I had to add my comments. First, this is a PERPETUAL calendar - not a soccer-mom's annual memory-minder. I will be using it for a birthday/anniversary book. As a quilter, the 60 inspirational quilt photos are great. Plus, the price is reasonable enough to disregard the calendar aspect and post favorite pages/photos on a sewing studio idea board! 0 of 0 people found the following review helpful. ... a great gift for a quilter friend of mine By Marion Biersdorf This calendar is much more than a book for keeping track of engagements and appointments with its versatile back pages. 0 of 0 people found the following review helpful. Four Stars By gretnv very nice book

Here's a beautiful gift for any quilt lover: an heirloom-quality, perpetual weekly calendar, featuring 60 spectacular modern quilts. The Date Keeper helps customers remember important birthdays, anniversaries, graduations, and special occasions. There are even pages to enter a family tree. Includes a useful guide to traditional and modern anniversary gifts, plus each month's birthday gemstones and flowers. Perpetual calendar format means dates only need to be entered once; there's no need to transfer them to a new calendar every year. Makes a lovely keepsake gift; customers will buy more than one. Durable spiral-bound album will last a lifetime. The first perpetual calendar aimed specifically at quilters.

Keep track of all your special occasions with these beautiful, quilt-themed perpetual calendars. Each calendar has a spiral-bound hard cover for extra durability. Choose from either quilted masterpieces or modern quilts, or try one of each! (McCall's Quilting, January/February 2014) Beautiful quilts are always on display while you keep track of appointments, birthdays, and daily happenings in this Date Keeper. Each week in this perpetual calendar is accompanied by a new quilted creation to inspire or awe, with 60 stunning photos in all. The back also has a section for notes, a list of anniversary gifts, a family tree, and other things you'll want to know. (Stitch Gifts, November 2013)
