It is a beautiful book, with great ideas and exquisite photographs of her amazing ideas. I refer to this book constantly when I want a fresh idea for Christmas decorating. Mary Engelbreit is a master at home decor and seasonal design without being a slave to trends! She decorates from the heart, and makes her home happy and comfortable, and I strive to follow her lead! 0 of 0 people found the following review helpful. Five Stars By genna Vinson Fun and nice to look at. 0 of 0 people found the following review helpful. Very Nice By Cheryl! This is a very nice book. I am very pleased with the price, quality, and fast shipping.

What better way to capture the true magic of the Christmas season than in a full-length Mary Engelbreit home-decorating collection? In Mary Engelbreit's Christmas Companion: The Mary Engelbreit Look and How to Get It, America's favorite illustrator has teamed up with writer Charlotte Lyons and photographer Barbara Elliott Martin to present the holiday entry in this popular series of home design books.

From Publishers Weekly Taking on the Christmas season, greeting-card designer Engelbreit (Mary Engelbreit's Home Companion) further extends her design influence into the home. A visual treasure trove of seasonal ideas, the chapters tackle different decorating areas in the home, from yards and front doors to fireplaces, table settings, centerpieces, Christmas trees and display settings for showing off ornaments, Santas, snowmen or other collectibles. Engelbreit's artwork and her own favorite Christmas decorations are featured throughout. Each of the eight chapters concludes with a simple, down-to-earth, do-it-yourself project; e.g., a felt tree skirt, a decoupage plate, painted glass and an appliqued sweater, as well as other such seasonal necessities as Christmas stockings, wreaths and angel tree ornaments.
