Books a little older but still crammed full of Engelbreit's wonderful ideas for your outside gardens. Shabby chic for you outdoors. Not to mention painting projects if that is what you are looking for. 0 of 0 people found the following review helpful. Very Mary Engelbreit by Bunny Land. Lots of ideas for extending a Mary Engelbreit style to outside spaces. Lovely photos throughout. Cheerful, comfort-of-home ideas that are very usable. 0 of 0 people found the following review helpful. LOVELY by NY reader. This is a wonderful book. So full of nice ideas and information.
