**Charlotte Lyons : Mary Engelbreit's Spring Craft Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mary Engelbreit's Spring Craft Book:

0 of 0 people found the following review helpful. ideasBy Greater ClevelandCute book,. Got it just for the art ideas0 of 0 people found the following review helpful. Five StarsBy M Juanita LittrellLove these, sorry to say they got burned in our house fire.0 of 0 people found the following review helpful. A " Must Have" for Mary Engelbreit Collectors!By Sandra K. BrunoThis book arrived very promptly. It is a dear book with beautiful illustrations. The condition of the book was great! You can not beat the price!Sandra K. Bruno

Popular illustrator Mary Engelbreit celebrates the early flowers as they peek through the frozen earth and the birds as they begin building their nests. Full-color art and photographs, recipes, projects, and ideas all welcome the spring with

typical, nostalgic Engelbreit style.
