Frances P Robinson : Match Games for Kids: Kids from toddlers to PreK and Kindergarden will find plenty matching games in this activity book. Match picture to letter, match shadows and more. before purchasing it in order to gage whether or not it would be worth my time, and all praised Match Games for Kids: Kids from toddlers to PreK and Kindergarden will find plenty matching games in this activity book. Match picture to letter, match shadows and more.:

1 of 1 people found the following review helpful. DisappointedBy Rita L. BondNot what I was going for. Most of the

pages have matching shadows to shadows. Thought there would be more alphabet letters to match up with pictures but there were only four or five pages with that.

Kids from toddlers to PreK and Kindergarden will find plenty matching games in this activity book. Match picture to letter, match shadows and more. This Matching activity book that teach several learning skills can be a valuable tool for kids education.

About the AuthorThe author publishes a variety of interactive book to help children learn including this match games for kids.
