Hands-On Art History : Matryoshka Dolls: Russian Nesting Dolls (Hands-On Art History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Matryoshka Dolls: Russian Nesting Dolls (Hands-On Art History):

0 of 0 people found the following review helpful. Would not recommend. By BKBeaches58 Has purchased another Matryoshka coloring book and thought this would be similar but all the pages have the "set" of dolls on them rather than a single doll and it's rather cheap paper. Would not recommend.

For more than a century, Russian nesting dolls (also known as matryoshka or babushka dolls) have captured the imagination of children and collectors around the world. This fun coloring book is based on designs drawn from traditional nesting dolls across Russia. Kids of all ages will enjoy bringing 25 sets of these colorful dolls to life with

markers, pencils, or crayons in this one-of-a-kind coloring book.
