The tutorials are easy to follow and I think this book can teach you a lot if you want to make your own plushes and such. I love the pictures, and the layout of the book. The small bio's for each artist are a nice touch, I enjoyed reading them. The artists work have inspired me to create my own monsters. I've been wanting to create my own dolls, but this books has really caused me to get on it. This is a good book to have in your collection. If not for the tutorials, then for the inspiration it might give you. 4 of 4 people found the following review helpful. Love this Book! By FroggyMama The previous reviewer lays it all out for you, I just wanted to add my five-star rating. I love this book - it is quirky and fun, with excellent step-by-step photos and lots of help. It has a great variety of crafts, and great projects. I'll probably be making more than one of everything in this book, because each project is so cool and inspiring. 0 of 0 people found the following review helpful. Very cute! By MI
