There are angels, vintage Santa Clauses, winter wonderland scenes, puppies, sepia photos, and even New Year's images. The cards came out great after I put laces, flowers, and other embellishments. There are some project ideas in the beginning. The paper is a little glossy, if you will be cutting the image straight out of the book. A CD-ROM is included for those preferring to print on a color laser printer or do digital scrapbooking. I also own the other books titled "Weddings" and "Florals and Nature". They have

great images, too! I am satisfied with this purchase, because it has great value!0 of 0 people found the following review helpful. Much too Victorian for my tasteBy Jenny WipperI have a couple other books in this series so I should've known it was going to be more Victorian than my liking goes. Very nice book, beautiful illustrations, CD was included. I like that you can page thru the book and then pop the CD in the computer to print the picture instead of cutting it out of the book. If you love nostalgic, turn of the century, vintage artwork you will LOVE this book. My taste tend more to the 1930's-60's so it's just my preference of artwork that made this a 3-star instead of 5.5 of 5 people found the following review helpful. Great images for crafts, scrapbooking, etc...By ChrisLove these cds. Vintage graphics that are great for crafts, scrapbooking, cards etc... The company gave me directions for using, as I had trouble understanding the directions on the case.I use Windows XP, and here is the directions I use.To view images:Click on StartMy ComputerDouble click MOL Christmas (D:)Click Next Page and choose pages.To print imagesStartMy ComputerRight click on MOL Christmas (D:)OpenClick on 250 dpiClick folder with page number and image you want to printClick file, continue, print, choose size of print.Hope that helps!I have also got the Animals cd, and enjoy it also!

Old-fashioned postcards with holiday wishes, snow angels, religious scenes, borders and frames, and, of course, vintage Santa Claus images make this a joyful holiday collection
