1 of 1 people found the following review helpful. Memory FoldsBy Marcia WarkI really like this book. Although I haven't had much time to actually try most of the projects, I am looking forward to using them. They are beautiful and very unique. I would recommend this book to anyone interested in paper folding of any kind.2 of 2 people found the following review helpful. ExcellentBy lizardladyJust what I wanted to do paper folding for Xmas cards, and gifts. Recommend it to anyone who likes to make little items on packages and decorations for cards, place cards, etc. Really a nice book0 of 0 people found the following review helpful.
