I have kept their t-shirts and flags, banners, etc. all these years and now I know just what to do with them. They are older but I think they will appreciate these quilts. 3 of 3 people found the following review

helpful. Memory quilts bookBy LDWKThis book is okay if you want some ideas for making T shirt quilts, but I've seen better books. No information on how to stop T shirts from bleeding, which was a problem I faced.0 of 0 people found the following review helpful. Five StarsBy jdenneyNo Comment

Looking for a meaningful, personal quilt to give as a gift or to pass down to future generations? T-shirts, photographs, and autographs may not be what you think of as "traditional" quilt elements, but for those wanting to honor a special person, or commemorate an event, or to simply preserve the memory of a bygone era, they add a personal touch to a quilt like no other.12 projects: T-shirt Quilts (Blanket Statement; Remember When; and Good Sports); Autograph Quilts (Quilt of Prayers; Quilting Stars; and Crowded Lake); and Photo Quilts (My Sister, My Friend; Memories in the Making; and Stick to It magnetic frames [4 blocks]). The T-shirt quilts are also shown in variations made using traditional quilt fabrics or luxurious pile fabrics.
