Unfortunately the author didn't check his work or get an editor...there are mistakes/misspellings/typos on every page, including the cover! How did this get published? I couldn't stand to read it with her.0 of 0 people found the following review helpful. Keeps son occupied...AND READING...for hoursBy Lisa KLove these books for my son! He can read them for hours!0 of 0 people found the following review helpful. DO NOT BUYBy Rebecca PurcellDo not buy this book if you are looking for a fun book for your child. The English is completely incorrect (like not using the correct words) and the page numbers that they give to finish the story are not the right page numbers.
