**Sue Stratford : Mini Christmas Knits (Twenty to Make)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mini Christmas Knits (Twenty to Make):

1 of 1 people found the following review helpful. Delightful little book of treasures!By MarieMWhat a delightful addition to any knitters collection! There are enough little items to make here to satisfy any veteran knitter. American readers may not be drawn to making the Christmas Pud, French Horn, Sweetie Cone, or Egg Cosy. But, there are so many more fun little things such as stars, stockings, garlands, angels, tiny mittens and much more. Highly recommend adding this delightful book to you collection!0 of 0 people found the following review helpful. So Fun !!By M. FournierI love this little Book ! I am having so much fun making them for friends. I already made the chicken ( so adorable), Snowman, Bird and the Reindeer . The instructions are easy to follow especially once you get the hang of it.

The details are a lot of work like the snowman has a lot of Accessoires, but it's so worth it. I sew a golden string threw them to make them hanging Ornaments. The only Thing missing is a Santa i was a bid bummed about that escpecially since they are Christmas Knits, otherwise great value and I am happy with this purchase. 0 of 0 people found the following review helpful. Four Stars By Customer every beautiful designs to colour and knit at my leisure

This book offers novelty knitting that is not only fun to do, but helps you create cute, funny and beautiful mini knits for Christmas, to give as gifts or to decorate your home. It offers a taste of novelty knitting for those on a budget, and there is plenty of inspiration for a small outlay. It is clearly and beautifully photographed to inform and inspire.

"Fans of novelty knitting will be bowled over by this collection of patterns, designed especially for the festive season. It's a small book, but still boasts an impressive 20 patterns, all of which are easy to follow." Knit Today (December 2011)
