Roz Walters : Miniature Crochet: Projects in 1/12 Scale before purchasing it in order to gage whether or not it would be worth my time, and all praised Miniature Crochet: Projects in 1/12 Scale:

2 of 2 people found the following review helpful. Five StarsBy teddiekinsAwesome book! Just what I have been looking for!2 of 2 people found the following review helpful. great book. arrived quicklyBy shop easyThe book is very good with detailed instructions. Will be very useful for my plans. Thank you for sending it so very quickly before my enthusiasm wanes,2 of 2 people found the following review helpful. miniature crochetBy jgarverThis book is a treasure of ideas. The patterns are a bit complicated at times but everything I've made that was inspired from this book have come out very nicely. I first saw this book at the library. Was very happy to have found a copy for myself on .

More than 40 projects, with full color photographs, offer something for needleworkers of all levels; the basic

introduction allows even complete novices to begin crocheting. Equip a miniature nursery with a tiny blanket and baby outfits. Fill your little closets and wardrobes with Victorian or modern clothes. Add special touches to your dolls house dcor, from afghans to tablecloths, and even an elaborate hanging for a four-poster bed.
