Lots of ideasBy LeylaI love the fact that the proceeds go to Alzheimer research, both my parents had this insidious condition so I gladly brought it. The book proved to be a great read, yes read as I loved the way each designer told of her scrap stash. There are question that each need to answer and I found it interesting that most did not have purple in there life, yet the world with blues and red,I wonder why purple is such a neglected colour. The patterns and ideas were excellent and the instructions easy to follow, readings this on

kindle I found some of the diagrams small and the lost some clarity when enlarged, a minor thing, all in an enjoyable book. I also bought Row by Row another book which has proceeds given to charity, which is in similar mode and the recommended it also5 of 5 people found the following review helpful. Beautiful book, lots of inspiration/ picturesBy Susan J.Many projects to chose from, your only problem will be to pick your first. Well written with clear instructions.5 of 5 people found the following review helpful. Scraps of Wisdom!!By JodyIt arrived in great shape and right on time. It's a wonderful book with lots of super ideas and tips.
