Eric Nolen-Weathington : Modern Masters Volume 22: Mark Buckingham before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern Masters Volume 22: Mark Buckingham:

0 of 0 people found the following review helpful. Five StarsBy EWHA good read.0 of 0 people found the following review helpful. Fantastic!By Chris OppermanI am a huge fan of Mr. Buckingham's work and this is a wonderful companion to the myriad graphic novels he has helped produce.0 of 0 people found the following review helpful. A fine pick for any definitive collection on comic artists!By Midwest Book ReviewModern Masters Volume 22: Mark Buckingham provides a fine catalog of the works of one of the most prolific comic book illustrators in the industry. Readers may know his works from Sandman, Spider-Man and other series: he's won multiple Eisner Awards and his black and white illustrations here accompany insights from interviews relating how he finds inspiration and draws his scenes. A fine pick for any definitive collection on comic artists!

Mark Buckingham has quietly built up one of the most impressive resum's in the comic book industry. From his early days drawing the infamous Miracleman, to his work on Sandman, Death, Peter Parker: Spider-Man, and now Fables, he has continued to entertain and amaze with a style that is both charming and sophisticated. Now Eric Nolen-Weathington explores the world of this master storyteller and designer Mark Buckingham! This book features a career-spanning interview with the artist, a discussion of his creative process, and reams of rare and unseen art, including a large gallery of commissioned work!
