John R Walker : Modern metal working;; Materials, tools, and procedures, before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern metal working;; Materials, tools, and procedures,:

0 of 0 people found the following review helpful. An oldie and goodie.By J. BusseThe secret aboutthis book is that it hasn't changed since the first edition published in the 70's A hammer is a hammer and a file a file. And you can get an old one for pennies when the new one is over \$100. Check with the instructor but don't be worried if you don't have the newest.

Textbook with small writing on from pages. Text is perfect. Cover clean and bright with light edge wear and uniform rubbing. Possible few pages with small notes. Same day shipping.
