**Ronald Pennell : Modern Myths: The Art of Ronald Pennell in Glass and Bronze (Modern myths series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Modern Myths: The Art of Ronald Pennell in Glass and Bronze (Modern myths series):

This text provides a comprehensive survey of Ronald Pennell's art, as the most celebrated engraver of glass in Britain today. Many of the works illustrated are from public collections but there are also a number which are in private

ownership and are generally not accessible.
