VERY BASIC, NOT ENOUGH ADVANCED INFOBy CarolynWay to basic for the price, It does not cover all the mold making possibilities or even alude to them. Too much emphasis on the use of clay for mold making.

As a mold maker you dont have the time to take the trial and error approach. You need the guidance of someone whos done it all before and can show you how to mix the materials and manipulate the mixture to create unique molds. This

mold making for glass book will assist you in learning some easy and basic techniques. From ceramic mold making to using Castalot to create unique one-of-a-kind molds. In this book, mold maker, practitioner, and coach, Connie Brown, guides you through the imaginative process and creative systems that will get you from idea to inspired artwork.
