0 of 0 people found the following review helpful. Great book!By CarolineFBKeep the hits coming! So many great projects and ideas. A great source for inspiration.2 of 3 people found the following review helpful. Terribly disappointed in the sewing quality of all examples in the book!By Stephen CunninghamI was very disappointed in this book. I know that most of the projects were designed to fit the "easy" end of the spectrum, but I cannot get over the workmanship displayed in the book. Whoever made the samples should have been identified as a 10 year old, so that we could take that into consideration, since that can be the only explanation! I cannot imagine a designer letting such poor examples land in their book. Stitching is uneven. Threads untrimmed. Edges crooked. Not a single project, when examined closely, is done well enough to make me want to try it. There may be several cute ideas, but the execution of them is shameful. It may not be necessary to aspire to perfection, but neat and tidy should be doable.0 of 0 people found the following review helpful. Two StarsBy L. MizerNot what I thought it would be.

Mix-n-match! Raid your fabric stash to create colorful patchwork and quilt projects! Explore patchwork basics and inspirational quilt projects in this exciting new book from the team behind Mollie Makes. Combine patchwork and quilting techniques to create beautiful pieces you'll want to display for all to see. Mollie Makes Patchwork tackles quilting with fresh, modern, step-by-step projects for quilts, cushions, home items, and gifts--something for every skill level. An international range of quilters create fifteen charming and contemporary projects for the home, including pillows, placemats, tea cozies, and of course, quilts large and small. Each project is accompanied by clear step-by-step photography or diagrams with hints and tips from the makers. So dig out your favorite colorful fabrics and showcase your passion for patchwork!

"Mollie Makes has consistently produced extremely quality craft books and their newest patchwork book is as amazing as you would expect!" --Hugs Are Fun
