Easy to follow instructions.0 of 0 people found the following review helpful. com her patterns are so easy to doBy Rhonda WatkinsI wish the instructions where written out more .. I have a problem getting the "printed" word from my brain to my finger types .. thought I'd try both of these books .. haven't been able to use them yet .. I guess that I'll stick to NettiesNeedleWorks.com her patterns are so easy to do, has both step by step written instructions as well as photos0 of 0 people found the following review helpful. I only liked a couple of the patternsBy Helpful HannahI only liked a couple of the patterns, but it's nice to have a lot of books for variety.

Everything you need to know about stitching on monks cloth is included in the 5-page how-to section of this 24-page

book. Even better, designs for 10 afghans full of Christmas cheer are included. Stitch them to give as gifts to your loved ones and to add cheer to your holiday decor.
