Kenkou Cross : Monster Girl Encyclopedia Vol. 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Monster Girl Encyclopedia Vol. 2:

0 of 0 people found the following review helpful. Readers Beware, Corruption in the Air By Petrichora This is essentially a daughter book to the original encyclopedia. In this volume, the Wandering Scholar goes in depth into the interesting and amazing groups of monster subspecies. There is more focus on more regional areas such as Wonderland, Zipangu, and even the domains of the (untrustworthy?) gods. If you had read my review for the first volume, you will expect the same format (but not the same content) within. The artwork is amazing as usually, as expected of Cross themselves. If there is anything to compare this book to, this is definitely like my first decent down

into the world of monster girls. First it is maliciously innocent and innocuous, and then, you find yourself plummeting down into a vacuous dark hole, rummaging and scratching the walls as the sinkhole slowly, but surely, drags you in with no escape in sight. One really has nothing to do but to accept their fate and go along for the slippery, dangerous ride! 0 of 0 people found the following review helpful. Five Stars By Heather C Sanders good 0 of 0 people found the following review helpful. Five Stars By Chizuru Calling Really great plus the little h pics are colored as well which made me really happy.

The second volume of the ultimate guide to monster girls which has taken the fandom by storm! The definitive source guide for the entire monster girl genre! Told from the perspective of a wandering scholar of monsters, this tantalizing tome includes 100 gorgeous full-color illustrations of seductively-dangerous monster girls. Replete with fascinating lore, elaborate bios, and intricate descriptions, this book has everything you ever wanted to know about monster girls, and more. From centaurs to succubi, from mermaids to slimes--if its a monster girl you seek, you will find her within these pages!

About the Author Kenkou Cross is best known as the author and artist of the Monster Girl Encyclopedia series.
