Great strategies are discussed, listing styles, and titles help even the most advanced sellers. I also enjoy the stories of how Lynn came upon her items to list. She gives the price paid, and what she made so that you can note what does sell and for what it sells for. HIGHLY ReCOMMEND! 0 of 0 people found the following review helpful. Laughter makes learning easy! By Wilting Violet. Lynn Dralle's writing style, as well as examples of her auctions make learning easy. Her stories are humorous, sometimes very touching, and there is ALWAYS a lesson to be learned, be it about antiques, or what moves product. Since it is 100 short stories it is easy to read as you have the time, instead of requiring several long study sessions. Although, I frequently had a hard time putting the book down. 0 of 0 people found the following review helpful. Great in the eBay Series, I have read them all A+ By Jim Barnhard III. Another great book in her series of eBay books, read and learn the in's and out's, what to buy and what not to buy!

Money Making Madness, the second in the 100 Best Things I've Sold on eBay series, tells the stories of Lynn's most recent eBay successes, and includes new eBay tips relevant to sellers at all levels as well as more wisdom about both business and life from Lynn's grandmother, Cheryl Leaf. Read what people are saying about Lynn's writing: When I started reading The 100 Best Things I've Sold on eBay, I carried it everywhere with me! I just couldn't put it down! I was addicted! Cherie Castro, Yakima, WA Your books have changed my life I realize how many habits I've picked up from you and I am positive that your influence has helped to make our business the success that it is. Kelli Ables, Bristow, OK I appreciate how candid you are in sharing information treated as Top Secret by other successful sellers. Willow Eaton, Port Orchard, WA I was genuinely touched by the stories you shared of your grandmother. Thank you for motivating me, for inspiring me, and for giving me goosebumps!
