1 of 1 people found the following review helpful. Something my 3 year old could do By Dawn L. Lewis This is a great book. I checked it out from the Library and the illustrations are great. There are very simple projects that do not require a lot of supplies. Some of them can get more complicated if you are ambitious. But, some really great ideas that my daughters could understand since the instructions are basically pictures and few words. Really fun. I plan on looking into other books by these folks...3 of 6 people found the following review helpful. Here is another FUN FUN Craft book! By A Customer They did it again with this book!
