Scrapbook guide vol 2 By Customer More memories beyond vol 1terrific ideas to implement on personal pages 0 of 0 people found the following review helpful. Great techniques for your precious memories. By Delores M. Baber This is one of a series of three "More Than Memories" books and each one is excellent. Once you see this one you are going to want to get all three. Hoping for a IV volume to come out. You won't be disappointed in your order.

Ideal for anyone wanting to preserve their family history, this work features ideas for documenting family stories and

events using scrap-booking. The book accompanies an American public broadcasting series on television.
