**Stefan Czernecki, Michael Haijtink : Most Incredible Cardboard Toys in the Whole Wide World** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Most Incredible Cardboard Toys in the Whole Wide World:

A collection of 17 superbly designed toys to make, enjoy, and admire, each inspired by a particular country and accompanied by an educational tale. Using simple materials color-coded illustrations and detailed instructions make construction easy. Art, craft, history, geography, legend, and tall tale are neatly packaged around directions and colorful diagrams. ForeWord Magazine..
