Stickers are a traditional and basic form of scrapbook embellishment. But today's modern scrapbookers are looking at stickers in a whole new light. No longer are they satisfied with simplistic page adornment - they are now using stickers to create sophisticated, dramatic and spectacular effects on their pages. Mrs. Grossman's Creative Sticker Art for Scrapbooks inspires scrapbookers to look beyond the obvious to find the "art" in stickers, and then apply that art to the

craft that they love. Mrs. Grossman's, a long-time leader in sticker art, brings her special expertise and artistic eye to this book, which is sure to be a winner with all sticker lovers.

About the Author Andrea Grossman, a well-respected graphic artist launched her successful sticker company in 1979. She designed a small red stick-on heart which took America by storm. The now-famous red heart launched Mrs. Grossman's sticker business and created a new industry. For six years the stickers Grossman's created were embraced by kids as easy-to-use decoration for art and notebooks. With the birth of creative scrapbooking, stickers grew even more popular and the Grossman sticker line continues to grow and evolve to meet the needs of this art form. Mrs. Grossman's has become an American treasure, as are her stickers, which are recognized and respected as tiny pieces of art.
