Five StarsBy CherieLooking for new ones.2 of 3 people found the following review helpful. beautiful cardsBy arkhThese cards are gorgeous and any Mutts fan would love to receive these. I gave them to my 7 year old daughter for her birthday and she loved them. Some of the designs are a little confusing, but most of them are just amazing...I almost wanted to frame them for art in her room, but she just wanted to start sending them!

Yesh! The hilarious domestic duo of Earl and Mooch romp, play, and even philosophize in this clever collection of postcards. They're the perfect way to keep in touch with pet lovers and comic-strip fans alike.
