I still like to make my pictures the focus of the page and tell the story. This book gives me ideas for pages that are perfect for my style and still look fresh. You can't go wrong with Becky Higgins!1 of 1 people found the following review helpful. Great starter ideasBy Sherry H.I'm not the most creative person but I love doing crafts. The ideas in this book are just what I need for a kick-start. Well organized, lays open flat, clear simple and easy to find something to get me going and to help me when I get a block on ideas.1 of 1 people found the following review helpful. Great when you need a little inspirationBy Christine L DonnerBecky Higgins is a legend in the scrapbooking industry. I am a Project Life devotee and purchased this book because I knew it would be full of helpful information. I was not disappointed.
