Stella Nadene : My Kindergarten Year before purchasing it in order to gage whether or not it would be worth my time, and all praised My Kindergarten Year:

MY KINDERGARTEN BOOK is a memory book designed to help you keep photos, work, and memories of your little one in their kindergarten year. It includes places for photos through the year, all information of your child and your child's school, and space to attach work or photos of work throughout his or her kindergarten year.

About the Author Stella Nadene is a crafty and artsy being that absolutely loves journaling, sketching, and doodling! She relishes the idea of an art journal that can be completed with her children. She also, as an author, vehemently encourages her children to write stories and journals constantly, as well as create an type of art they have in mind.
