**Geoffrey Montfort : My Playmobil Worlds** before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Playmobil Worlds:

Meet the universe of toys custom design by artist Famous Playmo. Along 5 years of passion and creativity, discover the movie, music, comic books themes he's created using the world famous german brand PLAYMOBIL (R) as foundation. Hundreds of photos of action figures and diorama scenes displayed in France and over Europe, from 2011 to 2016.

About the Author  
The Star Wars French Connection - The Star Wars French Connection, Version 2 - The History of French Toys Advertisements - Jouets en Images - The Indiana Jones Lost Treasures - Blade Runner, le Film Dcrypt
