Kaye Dennan : My Soap Making Journal (Crafts Hobbies) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Soap Making Journal (Crafts Hobbies):

My Soap Making Journal is designed by Kaye Dennan who has written several craft books for beginner and experienced soap makers. This journal is designed to inspire you and help you keep all your soap making notes in the one place and available at any time, in any place. In all there are 19 double pages which include room for your photos and a full description of your soap project, plus pages for soap making tips and further notes. My Soap Making Journal will be a valuable tool for improving your soap making.

About the Author Kaye Dennan has owned an arts and crafts business and was also an instructor of the arts. A lover of

color and texture Dennon found out that many wanted to start new hobbies but did not have the confidence to do so. Kaye has a strong desire to help others with creative abilities to reach their full potential and enjoy the fruits of their work, regardless of what level they are working at. With that aim, Kaye has written a number of books in the arts and crafts genre.
