Melinda Coss : Natural Soap, Second Edition: Techniques Recipes for Beautiful Handcrafted Soaps, Lotions Balms before purchasing it in order to gage whether or not it would be worth my time, and all praised Natural Soap, Second Edition: Techniques Recipes for Beautiful Handcrafted Soaps, Lotions Balms:

0 of 0 people found the following review helpful. Five StarsBy Betty F.Very good and informative book!0 of 0 people found the following review helpful. Five StarsBy Elena SimonLoved it, has great pictures and great recipes

Here is everything you need to know to create natural, luxurious soaps at home. Bestselling author and professional soap maker Melinda Coss shows how to make a wonderful range of bar and liquid soaps as well as exquisite creams,

lotions, and balms. With a wide choice of design, color, and scent there's a perfect soap here for everyone. More than 40 easy-to-follow recipes focus on natural, eco-friendly ingredients. Discover how to make pure and gentle soaps that soothe allergy-prone skin. You'll enjoy mixing, molding, and packaging indulgent delights like Fig and Honey Exfoliant Bars, Sleeping Beauty Heavy Night Cream, Gardeners' Skin Balm, Dead Sea Mud Spa Treatment, and many more. Natural Soap, Second Edition includes a basic tutorial on soap making techniques, a well-organized guide to ingredients, and beautiful color photography. All of the equipment needed is fully explained, so even a beginner can start making soap in no time. The author reveals her trade secrets to creating the perfect aromatic blends, and even offers valuable advice on setting up your own soap making business."

About the Author
Melinda Coss is a prolific writer, consultant, and guru on all things soapmaking. She is the author of more than two dozen craft books, including *Handmade Soap Book, Updated Second Edition*, *Natural Soap, Second Edition*, and *Gourmet Soaps Made Easy*. Melinda runs The Handmade Soap Company in West Wales, U.K. Her soaps are sold at many of the most prestigious hotels and stores in Europe, including the exclusive L'Atelier du Savon in Paris. She has also helped set up soap making units in Africa, teaches soap-making courses, and is regularly featured in magazines and television programs.
